**Wee Kim Wee School of Communication and Information****Nanyang Technological University, Singapore**

Young and research-intensive, Nanyang Technological University (NTU) is ranked 13th globally. It is also placed 1st amongst the world's best young universities. NTU's Wee Kim Wee School of Communication and Information seeks new faculty colleagues with a strong record of high-quality research and a commitment to mentoring the next generation of communication and information scholars.

**Assistant Professor: Neuro-Media Studies**

NTU's Wee Kim Wee School of Communication and Information is looking for a scholar-teacher who has research interests that complement the school's existing areas of excellence in media studies with additional expertise in cognitive/media neuroscience, psychophysiology, or evolutionary psychology. To be considered for a tenure track position at the Assistant Professor level, applicants must hold a Ph.D. and/or MD degree by the time they join NTU. Competitive candidates are expected to investigate media processes by means of neurophysiological methodologies such as EEG, fMRI, and measures of peripheral physiology. The position will be associated with the Cognitive, Physiological, Behavioural and Social Sciences (COGPASS) Research Centre at the Wee Kim Wee School. The centre is equipped with state-of-the-art laboratory equipment such as functional Near-Infrared Spectroscopy (fNIRS), non-invasive brain stimulation and electroencephalography (EEG) measurement systems. Successful candidates will be also involved in interdisciplinary collaborations with the new Brain Imaging Centre at NTU's Medical School which is equipped with latest generation fMRI, MEG, TMS, EEG, EKG, and EMG setups. NTU's new Brain Imaging Centre is located at a 3-minute walking distance from the Wee Kim Wee School of Communication and Information.

The Wee Kim Wee School of Communication and Information is a vibrant global leader in communication and information research and education. Recent hires and a high level of support reaffirm the School's pre-eminence in the disciplines under its aegis. Singapore is a vibrant cosmopolitan city/state with good weather, low crime, rich cultural attractions, exceptional food, and proximity to numerous points of interest in Southeast Asia.
