NEW OPPORTUNITIES AT VICTORIA UNIVERSITY

Lecturer in Psychology x 2 positions available

Academic B, \$83,030 - \$98,597 per annum. This is a full time (36.75 hours per week) continuing position.

- Deliver high quality material to our undergraduate and postgraduate students
- Work in a high performing and motivated team
- Located at our Footscray Park campus just 10 minutes from the CBD

About the Role

The role of the Lecturer in Psychology will be to contribute to teaching and research in the Psychology Discipline by developing high quality subject materials appropriate for both undergraduate and postgraduate students. Academic supervision of students undertaking research theses will be a feature of this role as will the development and implementation of innovative teaching methods which align with contemporary practice.

There are two positions available;

- Psychobiology and Cognitive Psychology
- Open area Psychology

About the Person

You will be PhD qualified with eligibility for membership of the Australian Psychological Society and an experienced educator at the tertiary level, with a passion for teaching. Your interest in developing the ability to supervise student research will be supported and encouraged by senior academics in the field. As part of a cohesive team, you will be also able to develop a research program which will complement the Psychology Discipline and the strategic directions of the College of Arts and the University.

Duties

The full range of duties can be found in the position description.

Benefits

- Salary sacrifice options
- Professional development opportunities
- Flexible working arrangements available
